EQUALIZATION AND APPORTIONMENT COMMITTEE**

NOV 12 2004

**November 3, 2004**

**Chippewa County Clerk**

A regular meeting of the Chippewa County Board of Commissioners Equalization and Apportionment Committee was held on Wednesday, November 3, 2004 at the Chippewa County Courthouse in Sault Ste Marie, Michigan. Chairman James Moore called the meeting to order at 5:43 pm with a quorum present.

MEMBERS PRESENT: James Moore, Chairman, Rita Dale, and Don Cooper

MEMBERS ABSENT: None

OTHERS PRESENT: Sharon Kennedy, Equalization Director

**Agenda Item: Approval of the Agenda**

It was moved by Commissioner Cooper and seconded by Commissioner Dale to approve the agenda as presented.

On a voice vote, the motion passed.

**Agenda Item: FINAL 2004 Tax Rate Request.**

Equalization Director Kennedy presented the FINAL 2004 Millage Report, which details all of the millages to be levied in 2004. She explained that although the County Board of Commissioners had already apportioned all millages at its October session, as several millage questions were presented to the electorate in November, and two of those passed, it would be necessary for apportionment to be revised and finalized. Two millage proposals passed at the November election: Drummond Island's library operating millage of .25 mil and Sugar Island's ambulance operating millage of 1.5 mil.

Equalization Director Kennedy also noted that truth in assessing millage reduction fractions would roll back those millages to .2493 for the Drummond Island library fund and 1.4953 for the Sugar Island ambulance fund. The millage report has been revised to include those two additional millages. She further noted that the millage report will be used to complete the annual apportionment report required to be filed with the State after the November session of the Board of Commissioners. The commissioners reviewed the report carefully asking numerous questions about taxable values and the various millage rates shown on the report.

It was moved by Commissioner Dale and seconded by Commissioner Cooper that the FINAL Millage Report be adopted as presented and that the Clerk and Equalization Director be authorized to complete and submit the Annual Apportionment Report to the State of Michigan as required by statute.
